

Airport Marine HS and JR Fishing Trail

Welcome to the updated Airport Marine High School/Junior Tournament Trail powered by Fishing Chaos

Big Changes for the 2023-24 High School/Junior Season!

We are moving our tournament hosting to Fishing Chaos this season to streamline the tournament registration process and better communicate with our anglers. Our partnership with Fishing Chaos will allow our trail series to provide leader boards with live results, real time ToY (Team of the Year) points standings and more. To receive ToY points **all anglers** will need to register themselves on the Airport Marine trail/club page on Fishing Chaos at this link:

<https://app.fishingchaos.com/club/CTVhiJLE0d6cWliSdz05>

The Fishing Chaos Trail/Club management feature will allow us to organize our tournament schedule, post live ToY results and provide more communications options such as texting. The Tournament module allows us to notify you of upcoming tournaments, event details, flight and boat numbers and safety updates via text, email, and the in-app dashboard. Registration for each event will now be handled through the Fishing Chaos app or on Airport Marine's website with links to join and register. We're looking forward to having you fish with us this season!

You may subscribe to fishing Chaos, but it is not required to fish tournaments.

The biggest benefit to subscribing is that any Fishing Chaos convenience fees are waived.

The Fishing Chaos "Weekend Warrior" subscription is \$3.99 per month. The annual subscription called "The Wrangler" is \$43.89 per year and comes with the following rewards.

- FishUSA \$20
- TackleDirect \$10
- Phins Apparel \$20 off
- Fishlabs 25% off
- Okuma 25% Off

More to come soon.

Tight Lines,

The Airport Marine Tournament Team
